Get In Line for Santa...

After taking a year off Santa is back and ready to have his photo taken with your special four legged friend. This year we will have new digs for Santa. Our photos are not like those taken elsewhere. We have a great stage and photos professionally taken by Laurie Haag. You can also order your holiday cards at the same time. All proceeds from the photos go to the Friends of the Animal Center Foundation (FACF) supporting the Iowa City Animal Care and Adoption Center and Paws and More Shelter in Washington. Santa is a very popular guy, so please call now to set up an appointment for **November 19st or 20th**. In our humble opinion, you will not find a Santa in town that loves to be with your pet more than our "Santa Dan". A donation of \$25 per pet is requested.

Same Ol, Same Ol...

Not any more! We have been out hunting high and low. We want to keep ourselves and you up to date on the latest in the dog and cat world. There will be lots of new dog and cat toys, treats and health items coming into the store during November and December. Please watch Facebook and our web site for updates, or better yet, stop into the store.

All the Better to Help You...

What's that you say, can't get to the store during the week and on Saturday, who wants to fight the football traffic? Starting Sunday November 12th we will be **open on Sunday's from noon-4**. Come in for all your day to day needs as well as to see all the fun things we have for the Holidays!

Rough and Ready...

Tougher than they look, we have some new fun Tuffy toys at Leash on Life. These fleecy toys are made with the same material as luggage and designed for the most tenacious of chewers. Each toy has seven layers of cross stitching to keep even the MOST determined, squeaker-motivated dog from shredding and destroying. We have tugs, rings, bone and fun animal designs in both BIG and small sizes. Give your destroyer of toys a new challenge.

More Good Fun...

Last December, for one night only Leash on Life offered complimentary Wine, Sparkling Cider, Hors d'oeuvres and Sales Galore! We would like to invite everyone back to join us at the store on **Saturday December 10th from 6:00-9:00pm**. We will have many opportunities for you to make a much needed donation to several area shelters. Featuring **one night only reduced prices** on items for your own pets and for donations. The more the merrier so please join us for a relaxing evening.

Adoptable Dog of the Month, Snickers...

Ms. Snickers is about 10 months old and a beauty of a Hound. She likes playing with other dogs and does pretty well with cats. She is an affectionate happy gal and already knows sit. Squeaky toys are a favorite. Snickers is available at the Iowa City Adoption Center, call (319) 356-5295 or visit www.icanimalcenter.org to learn more about any of the dogs and cats at the Center.

Thanks to You...

If you will recall, in September Leash on Life teamed up with the *Military Working Dog Team Support Association* or MWD TSA. MWD TSA asked us to be a collection center for KONG® toys for active military dogs. Thanks to all of you we were able to send seventy two KONG® toys and eleven grooming wipe boxes to the dogs in the field. Check out their kind words about the Iowa donations at, [Iowa donation blog](#). MWD TSA is a volunteer 501c3 organization based out of Atlanta focusing on supporting military working dog teams. You can find plenty of interesting information and heroic stories on their web site www.mwdtsa.org.

A Special Meal...

How about a pumpkin Pup-pie for Thanksgiving dessert? We have them in a ten slice pie for your K9 holiday. And then for the everyday how about some Pup-Squeak peanut butter treats? These organic yummys come from The Lazy Dog Cookie Company and we have plenty of different flavors to choose from.

Don't Forget...

Even though there is a delightful nip in the fall air, don't forget to do as Romeo is doing and, "stop and smell the flowers" along the way.
