More Good Fun...

Last December, for one night only Leash on Life offered complimentary Wine, Sparkling Cider, Hors d'oeuvres and Sales Galore! We would like to invite everyone back this year to join us at the store on **Saturday December 10th from 6:00-9:00pm**. To thank you for your business throughout the year there will be **one night only reduced prices** on items for your own pets and for shelter donations. The more the merrier so please join us for a relaxing evening.

Just in Time...

New on our shelves are Nightlife collars. The solid colors with a wide reflective band makes them a great safety item for this time of year. If you want to set them off even more you can add one of our blinking lights. It will be like the lightning bugs of spring as you walk through the neighborhood.

More Parties...

[Holiday with the Hounds](#) is at the Iowa City Animal Care & Adoption Center on Saturday December 3rd from noon to 3pm. Enjoy cookies, cocoa, lots of opportunities to meet the animals, and much more! Paws and More in Washington will also have their open house on December 3rd. Please try to visit one or better yet both of these great shelters.

Lights for Cats Too...

Just when you thought only dogs needed lights we have found the perfect complement for your cat. The BOLT™ is an automatic laser toy. With a 15 minute timer you can sit back and have as much fun as your cat while they chase the laser light around the room. If you prefer to have more control over the laser light show we also have the hand held laser light toys. Don't tell the felines, but there are some dogs that are amused by the lights as well.

Treat Time...

Not just treats, but special holiday treats. Everyone needs to indulge a little over the holidays. Perhaps a peanutbutter tree, snowflake or reighdeer is what you had in mind.

Baby It's Cold Outside...

Yep, it is December in Iowa and we all need to have on our winter attire. We have added a new line of doggie coats and sweaters. They are easy to put on, washable and oh so stylish. Warm wooly coats and rugby sweaters, as well as quilted cotton coats should be just what is needed to keep old man winter at bay.

New Toys for the Canine Holiday Stocking...

Along with a new line of dog coats and sweaters we have added a new line of dog toys. They are truly unique and should be a canine crowd pleaser. Made from wool, jute, leather and rope there is a good variety to choose from for the most particular of game player. We are always looking for unique and quality toys and we think you and your dog will like what we have found.

All Tuckered Out...

Now that you have been outside in your warm coat and new reflective collar to play with your new toys it is time to come in, warm up and take a nice nap. We have several for your sleeping beauty to try. It is hard to beat the quality of a snug West Paw bed, but for the more 'sloppy' among us we have found a great practical alternative with StayClean™ beds. The super tough outer-shell is made from waterproof material filled with a comfortable shredded polyurethane foam filling. Cleaning is simple with the StayClean™ top made of soft ultra-suede that is easily removed for machine washing, and it looks nice too!

Once More for the Felines....

Do not forget to stuff their stockings too or you might just find your stocking shredded in the morning. The famous Turbo Scratcher cat toy offers fun and exercise with the ball race track as well as a place for those claws to be worked out. The scratch pad is replaceable once it has been fully 'played out'.

Adoptable Cat of the Month, Juno...

Juno is a beautiful dilute tortie. She is a mild mannered gal and loves a window seat so she can watch the outside world. She is about two years old and spayed. Juno is available at the Iowa City Adoption Center, call (319) 356-5295 or visit www.icanimalcenter.org to learn more about any of the dogs and cats at the Center.

Don't Forget...

We are **open on Sunday's from noon-4**. Come in for all your day to day needs as well as to see all the fun things we have for the Holidays!
